

Quantico Shooting Club

Meeting Minutes

March 20, 2010

Opening:

The regular meeting of the Quatico Shooting Club was called to order at 8:00am on March 20, 2010 in by Dick Jones.

Present:

Dick Jones, President; David Conrath, Treasurer; Marco Suave, Vice-President ; Steve Mullins, Member at Large; Luis Eljaiek, Jr, Secretary

A. Approval of Agenda

The agenda was unanimously approved as distributed.

B. Approval of Minutes

There previous Minutes were scant at best therefore little information for formal approval therefore none done.

C. Open Issues

Treasurer's Report: The club is not in a good state of health financially. Monthly income vs Expenses is (\$11,721.16). Bank of America balance is \$22, 988.23. Treasures's report approved.

Discussion re: Christy's quarterly bonus, motion by Mr. Conrath, second by Mr. Soave, unanimously approved.

Training Committee: Discussion on what constitutes training for new members including classroom and range training. The committee stated that as of now, no training per Command. Vetting of trainee's and potential future training included citizenship and resident alien status, NRA membership, and QSC membership. Additonal vetting would be recent firearm purchase with proof of FFL, Va. State Police back-ground check, CWP from any State, current DoD card. Command was favorable but no final approval.

Classroom use and other "for profit" as of now is negative.

7.62 x39 is still restricted due to steel core in Russian made ammunition. Magnet verification discussed and deemed difficult to evaluate. That stated, QSC awaits final approval/disapproval.

Training committee should ideally have representatives from all disciplines.

Membership of training committee discussed; members are Sneakers, Steve Mullins, John Murphy, Russ, Sam. Steve Mullins to do scheduling. Call for volunteers to be done.

Match Committee: Remember the Brave Match is scheduled for Memorial Day Weekend. Expect 300-500 shooters. Volunteers needed. Wind & red flag requirement for Long Range Shooting discussed, expense estimated at \$560 maximum minus the flag poles, poles required to be PVC. Willie is tasked with pole making and donating PVC conduit. Mr. Soave motion approval for wind flags, second by Mr. Conrath, unanimously approved. Mr. Conrath discussed work sheets for recording of match fees, expenses, NRA points, etc.

Member Meeting: Mr. Jones reviewed previous minutes. Certificates of appreciation were given to various members. Slate of candidates provided, discussion, and election results provided. Discussion on black powder shooting including visual aide presented.

Web site update: Currently issue with PHP language and Sequel database all residing on a Linux server. In addition, QSC needs to retain domain name as current owner is Jeff Julie (?sp). QSC will need someone to take over the web site maintenance.

Shotgun committee: presented range update on matches and will be posted on web site.

Audit Committee: Must be formed by April. David Zoalay to be approached to participate.

Range Scheduling: Discussion on medical coverage with on-site with Marines vs. Fire House. Communications to WTB and Range Control is key in process and sequence should the unforeseen occur.

RSO's: Need for voluntary RSO's and thus membership drive needed. Training (tests and scheduling) is an issue however no further changes discussed or made. Currently QSC has 90+ trained RSO's but sadly, 15 or so RSO's do the bulk of the range work. Discussion on RSO opening range x4 in a year would receive free membership. All felt this was reasonable. Dick to verify and check with Russ.

Ammo and ranges: Membership discussion on ammo use. 7.62x39 not allowed and in addition, NO 30.06 on R1.

Rifle and Pistol Committee: Luis to Chair Rifle with Ed Schell and David Zoalay as members. Pistol chair and membership currently vacant.

Membership Committee: Marco for general information and committee chair for specific info. Shannon is chair for Membership Committee

D. New Business

Medical Coverage: discussion on descriptive language, ability of current “medics”, sequence in calling in an accident, Firehouse 33. More to follow as renewal of current MOA is discussed. Dick and Marco to follow-up.

RSO Tests and Training: WTB Level 1 test given on-site and is good forever. In addition, primer on RSO testing discussed.

E. Agenda for Next Meeting: Dick and Luis to discuss.

Adjournment:

Meeting was adjourned at 11:30am by Dick Jones. The next board and general meeting will be at 8am on May 15th.

Minutes submitted by: Luis F. Eljaiek, Jr, MD; Secretary

Approved by: Board of Directors
