PO BOX 212
Quantico VA 22134

Quantico Shooting Club match rules: All shooters are required to perform scoring and pit duties unless pit pullers are arranged. Empty chamber indicator (ECI) use is required. NRA Rule 3.21 & 18.12 Physically disabled shooters can request their needs on the registration form. NRA High Power rules will apply: NRA Classification will be used. Contact for additional information: Dan Duitsman: drduitsman@gmail.com Phone (760)-213-8639 General Information: Water will be provided for the pits and the line, however it is strongly encouraged that you bring your own water. Portable sanitation units are stationed at the pits, 300, 600, and 1000 yard lines.

Rules: **It is important that rifles / especially rifle chambers are clean and in good working condition so as to minimize the possibility of malfunctions or difficult cartridge extractions (often caused by dirty chambers). Stoppages due to dirty rifle / chamber will not be an acceptable cause for an alibi.** Service rifle and NRA Match Rifle as defined in the NRA High Power Rule Book; The NRA High Power Rule Book will govern the NRA individual and team competition. The CMP rules will govern the EIC and ITT competition.

Equipment: Each competitor will furnish his/her own equipment, ammunition, and shall be responsible for its safekeeping.
Eye and ear protection required by all competitors on the ready line and ear protection for all people on the range.
Empty Chamber Indicator flags are required at all times except when on the firing line.
Limited number of chamber flags available at clubhouse for \$2.00.

Match Time: All competitors must attend the safety brief on the 200 yd line or in the pits at 0730. Failure to attend the safety brief will disqualify you for that competition. Relay 1 will commence firing at 0800.
